

Join us for an Evening of Dancing with Jacqueline Schwab

Renowned folk and classical improvisational pianist Jacqueline Schwab has toured the United States and England, inspiring people on the country dance floor through her performances with the Bare Necessities group and as a dance caller. This month we're pleased to welcome her for a special one-night workshop for intermediate and experienced dancers.

Jacqueline's dance calling reflects the early twentieth-century Cecil Sharp style but is also informed by recent research on period style. Her own research includes examining more than 1,000 eighteenth century English dance manuals in British and U.S. Libraries. But what you'll remember most is the pure joy of the dance you'll experience during her workshop!
